

# **RAO Newsletter #2014-4 – October 28 - Nationwide Telephone Scam Affecting TRICARE Beneficiaries**

TRICARE beneficiaries need to be aware of a telephone scam affecting beneficiaries over 65 and on Medicare nationwide.

A caller will usually identify themselves as being an official Medicare vendor, and will then offer to sell you back braces. The caller may have specific information that makes the call seem official, typically your address, phone numbers and doctor's name. The caller is hoping this will convince you they are a legitimate vendor and that you will give them your social security number and additional personal information.

If you receive a call like this, DO NOT give any of your personal identifiable information, such as birth date, social security number or banking information. TRICARE never asks beneficiaries for this information when calling for an official Department of Defense survey.

The Defense Health Agency (DHA) Program Integrity Office is closely monitoring this situation. If you receive a call of this nature, please do not provide your information and contact the DHA Program Integrity Office directly. For more information on fraud and abuse reporting visit, [www.TRICARE.mil/fraud](http://www.TRICARE.mil/fraud).
